## **Recommendation for Kaleigh L. Mulcahy**

After graduating Sacred Heart University, I highly recommend Kaleigh Mulcahy for future job opportunities in the graphic design industry. I have been Kaleigh's design instructor for the past three years. Kaleigh is an excellent artist and designer with an extremely strong marketing mind. She adds a smart strategic direction to every "stunningly" designed project. Awesome work ethics: very honest, sincere, loyal, conscientious, responsible young artist, who has been a pleasure to work with. She has an open ear, takes critiques well, implements revision of work with enthusiasm and consistently works to make her design projects the BEST of her ability. She is well liked by her classmates and my colleagues. Her potential has no limits with her aggressive work ethic.

Kaleigh provides excellent, consistent design concepts with production skills to match. She manages her time well and can handle a variety of projects while meeting project deadlines. Kaleigh maintains a character that is likeable and agreeable with a consistent positive attitude. I would elect Kaleigh to be on my team anytime. To Whom This May Concern,

My name is Danielle Bahr, I am the Marketing Director for Chartwells Higher Education at Sacred Heart University. Kaleigh Mulcahy was the first Graphic Design Intern we have ever hired. Over the past 2 years with us, she has shown us the value of the position.

Kaleigh Mulcahy's communication skills and time management has made her a pleasure to work with. She worked remotely and we mainly communicated via email. Despite most communication being via email, Kaleigh was always easy to reach and willing to work. Many projects would come up at random and need to be done urgently and she was always able to meet deadlines.

Kaleigh's creativity has been admirable. She understood our brand and "look;" and was able to adapt all her designs to fit our needs. She has done an exceptional job with every project she worked on, including our concession screens in Sacred Heart University's Martire Family Arena, that newly opened January 2023.

I am pleased to offer my endorsement of Kaleigh Mulcahy as a highly capable candidate for the position she seeks. She is hardworking and provides originality in her work. I have confidence in her success.

If you have any questions, please contact me by phone (203) 218-1836 or email [Danielle.Bahr@compass-usa.com](mailto:Danielle.Bahr@compass-usa.com).

To Whom It May Concern,

It is my pleasure to write a letter of recommendation for Kaleigh Mulcahy.

Kaleigh worked as our Graphic Designer and Social Media Manager for the Sacred Heart Women's Basketball program. I have found Kaleigh to be a bright, talented and motivated young woman who has been a pleasure to work with since the first day she started here. Her creativity and knowledge of graphic design and marketability are impressive and immediately added value to our program.

What I noticed was how resourceful Kaleigh was in gaining an understanding of the graphics and images we discussed, doing research to gain more knowledge of the subject matter, and then applying them to create artwork that matched (and often exceeded) our vision and standards. Kaleigh was also extremely open to feedback during the revision process. Her positive attitude and demeanor allowed for a smooth and enjoyable collaboration effort and a pleasant working experience.

In my honest opinion, Kaleigh will be an excellent addition to your organization. I wholeheartedly recommend her and am confident that she will continue to make a valuable and memorable contribution to your company.
